Orientation Program

REPORT

Date: 16th June, 2016

Venue: SST College (Room No. 104)

No. of Participants: 62

Speaker for this session: Asst. Prof. Bhavika Mulchandani

On June 16th, 2016, at 11.30 a.m. an Orientation Program for students of SY and TY B.Sc. (I.T) and SY and TY B.Sc. (CS) was held in Room No. 104. The program introduction was given by Asst. Prof. Gunjeet Kaur.

Ms. Bhavika Mulchandani, Assistant Professor of IT and CS Department, provided the students a quick overview of the syllabus, importance of attendance, test pattern, college rules and regulations, and the discipline that must be followed on the college premises throughout the program. The students were given a PowerPoint presentation that offered them an overview of the college's activities.

Principal Dr. J. Purswani, also addressed the students and greeted them with best wishes for the future endeavor. Around 1:00 p.m., the program came to an end. The vote of thanks was given by Asst. Prof. Deepa Agrawal.

Induction Program

Report

Date: 20th July, 2016

Venue: SST College (Room No. 104)

No. of Participants: 28

Speaker for this session: Asst. Prof. Deepak Dubey

The transition from Junior college to Degree College can be challenging for new First Year students. In this aspect, we arranged an induction session for First Year students on July 20, 2016. The emphasis was placed on the complete curriculum, as well as extracurricular activities. Additionally, the induction program addressed several factors such as a new schedule, new subjects, new teachers, and the layout of a new institute.

A total of 28 students participated in this program which was conducted on 20th July, 2016. Assistant Professor Deepak Dubey, provided the students a quick overview of the new syllabus, importance of attendance, examination pattern, college rules and regulations, and the discipline that must be followed on the college premises throughout the program.

Principal Dr. J. Purswani, also addressed the students and greeted them with best wishes for the future endeavor. Around 2:00 p.m., the programme came to an end. The vote of thanks was given by Asst. Prof. Aarti Ochani. Faculty and student volunteers from different programs worked extensively to ensure that the induction was well organized.

SEMINAR - CAREER GUIDANCE

REPORT

Date : 30th July 2016

Venue: SST College (Room No. 104)

No: Participants: 144

Speakers for this session: Mr. Yogesh Mishra (Network Engineer at Reliance Jio) and Mr. Durgesh Dubey

On July 30, 2016, at 1 p.m., the IT and CS Department organized the Career Guidance Seminar in Room No.104 for B.Sc.(I.T.) and B.Sc.(C.S.) students.

Mr. Yogesh Mishra (Network Engineer at Reliance Jio) and Asst. Professor Durgesh Dubey led the seminar. They mentored and shared their professional experiences with our students, as well as demonstrated how to prepare for the interview. Around 144 students attended the session.

Following points were the highlighted in the discussion:

- How to prepare for an Interview?
- Different categories of job opportunities in the IT industry.
- Different job opportunities in the Government Sector for IT.
- How to select the correct Career path?
- How to face campus interviews?
- Dos and don'ts for technical interview.
- Scope of I.T. and C.S. syllabus in industry.
- Languages which are currently in demand.
- Certification courses and their use.
- How to select the desired company?

WORKSHOP - INSTALLATION OF WINDOWS 7 AND LINUX

Report

Date : 13th August, 2016

Venue: Room No. 104

No. of Participants: 114

Guest Speaker: Asst. Prof. Deepak Dubey and Asst.Prof. Amol Adhangale

The Department of IT and CS organized a workshop in room 104 on August 13, 2016, at 11:30 am. The workshop covered how to install Windows 7 and Linux operating systems on desktop machines. The process of installing the OS on the desktop system was demonstrated by Asst. Prof. Amol Adhangale in real time by projecting it on a bigger screen for the students to watch. After showing the installation, a presentation on the same topic is delivered by Asst. Prof. Deepak Dubey.

Students were given an assignment as part of a workshop to write the process for installing Windows 7 and Linux. This session benefited students in learning the actual installation method. A total of around 114 students attended the seminar.

The programme came to an end at 1:30 p.m. The vote of thanks was given by Asst. Prof. Bhavika Mulchandani.

One Day Workshop - "Introduction to Computer Hardware"

Report

Date: 1st Sept 2016

Venue: SST College (Room No. 208)

No. of Participants: 32

Speaker for this session: Mr. Rajesh Malode (Hardware Engineer in L&T)

The Department of IT and CS hosted a one-day workshop for the students on "Introduction to Computer Hardware" on September 1, 2016, at 2 p.m. in room 208 in the college premises. 32 students attended the event. Mr. Rajesh Malode, a Hardware Engineer at the L&T Company in Mumbai, led the session.

The following topics were covered by the speaker:

- Components of Computers.
- The central Processing Unit.
- Motherboard
- Types of Memory.
- Various ICs.

Mr. Rajesh gave a demonstration of how to connect various computer components. It was a highly engaging event in which students learned about the hardware components of computers. Around 4 p.m., the workshop was completed. Asst. Prof. Rishika Pali proposed the vote of thanks.

“Women’s Safety”

Date : 23th December 2016

Venue: SST College (Room No. 208)

No. of Participants: 31

Speakers for this session: Asst. Prof. Jyoti Sardar

On 23.12.2016, at S.S.T College of Arts and Commerce, Ulhasnagar-4, a one-day seminar on women's safety was held. Asst. Prof. Deepa Agrawal Department of Information Technology gave the program's introduction. The session was attended by 31 students. Ms.Jyoti Sardar guest speaker discussed how to be more responsive than reactive, more observant, and attain cognitive awareness, as well as how to be patient, understanding, adaptable, and regulate the mind.

Following were the highlights of the Seminar:

- **Safety:** The primary importance of self-defence is for women to be able to protect themselves against anything that’s unacceptable in terms of social conduct.
- **Confidence:** There is nothing more empowering than having the confidence to analyze a dangerous situation and take actions to overcome them effectively.
- **Empowerment:** It empowers women to lead a healthy and fulfilling life by encouraging them to deal with stressful and dangerous situations independently.
- **Discipline:** It teaches discipline which transfers over to all other areas of life. It helps women be calmer, understanding, and flexible, gain body and mind control, be more responsive than reactive, more observant, and achieve cognitive awareness.
- **Reduces Dependency:** Just because you’re a woman, you shouldn’t be asked to travel with a companion! That’s what learning self-defense does – it makes you independent, helping you protect yourself in every situation.
- **Health and Fitness:** Self-Defense programs are also a fun way of exercising and building a healthy body, thereby improving physical and mental health.
