Webinar- Laughter Yoga

Report

Time: 11.30 p.m.

Resource Person: Dr. Madan Kataria

Venue: SST College, Zoom Platform

No. of Participants: 65

Date:- 16th July 2020

Objective:

To enable students to reduce/ eliminate stress, tensions among the students and help them lead a healthy life.

Outcome:

- 1.) The students found this form of therapy using the tool of Laughter very interesting.
- 2.) Students also found that this will help them in leading a peaceful, successful happy life both at work and home.

On 16th July 2020 Laughter yoga seminar was conducted .The resource person Dr. Madan Kataria, is a World renowned Laughter Guru and expert in this field with tremendous knowledge and experience of years. He explained the psychology behind this process of Laughter Yoga. Thereafter, he took a lively session and introduced all the participants to the technique of laughter yoga and demonstrated the same. Students and Faculties were then asked to practice the same along with him. The session really proved a boon to all. It showed how to combat stress and tension in the daily lives of all and how to lead a healthy, happy, peaceful life.

Induction Programme

Report

Date: 19th September, 2020

Venue: SST College Zoom Platform

No. of Participants: 40

Speaker for this session: Asst.Prof. Bhavika Mulchandani

The transition from Junior college to Degree College can be challenging for new First Year students. In this aspect, we arranged an induction session for First Year students on 19th September, 2020. The focus was on overall curriculum, Extra-curricular activities. Induction program also addressed different aspects like a new timetable, new subjects, new teachers and the layout of a new institute.

A total of 40 students participated in this program which was conducted on 19th July, 2020. Faculty and student volunteers from other programs worked extensively to ensure that the induction was well organized.

Exclusive Online session- Skills in the world of Printing Technology

Time: 11.30 p.m.

Date: 16th August 2020

Resource Person: Mr. Sameer Prabhune

Venue: SST College, Zoom Platform

No. of Participants: 65

Objective: To provide awareness about the technological developments in the print industry.

Outcome:

- 1.) The students have enhanced their knowledge about graphics' techniques which are used in printing industries.
- 2.) Students were given an overview of the industry, which will help them in grabbing the opportunities available for I.T. & C.S. graduates in this field.

On 16th August 2020 Seminar was conducted on Skills in the world of Printing Technology. The resource person Mr. Sameer Prabhune, Founder and CEO of Advance Graphics with his wide experience of 21 years in this field, explained the students in detail about various technology advancements in graphics and printing industry and which can be used by students in the I.T. & C.S. field. And he elucidated that the printing technology is equipped with rapid prototyping technology that lets the users develop, create, and test customized components in very short time when compared with the earlier modes used in printing. Mr. Ravi Kharbanda, Honorary Member of World Skills International and also a Technical Consultant of Indian Skill Contingent, elaborated the technology and its use, he stated that it can enable fast, reliable, and repeatable means of producing products which can still be made inexpensively due to automation of processes and distribution of manufacturing needs. The session was a very interesting one and also career oriented. Around 65 students participated and enhanced their knowledge.

National Webinar -

How to Use Linked-In Effectively

Time: 4 p.m.

Date: 18th August 2020

Resource Person: Shri. Sushant P. Mysorekar

Venue: SST College, Zoom Platform

No. of Participants: 70

Objectives:

- 1.) To create awareness about the right and appropriate use of online communication mediums like Linked-In.
- 2.) To let students know the effectiveness as well as dangers of online communication.

Outcome:

- 1) The students were exposed to the available online tools.
- 2) Students got an opportunity to understand the best ways in which tools like Linked-In can be used for their communication as well as career purposes.

The Department of I.T and C.S. in association with Brain Rhyme Cognitive Solutions Pvt. Ltd. conducted the National level webinar on 18th August 2020. Resource person Shri. Sushant P. Mysorekar, Cognitive Behaviour Therapist, Memory Coach, VP - Memory Sports Council, India & Chairman - International Association of Sports, UAE gave a very detailed lecture on Linked-In from a very basic level such as:

1. How to login on Linked-In;
2. Effective ways of making resume;
3. As a resume-scanning software, how LinkedIn algorithms rank the resumes according to their customers' demands.
4. How to use the Linked-In as a tool will offer the students plenty of opportunities to develop their career as well help in learning new skills.
5. How Linked-In can help the students in creating a connection with the experts in the field and assist them in networking with the professionals in the area of study and work.
