## *Interaction with students about Employability Program*

Mrs. Bharti Purswani, Vice Principal, SST College shared the knowledge about the session and its importance to all the students in their career building. The resource person was welcomed by Dr. J. C. Purswani, Founder & Principal, SST College by giving a Tulsi sapling.

Yash Mehta shared valuable information about this session, its importance, and how it is beneficial to all third-year students. Along with the research project, students will be getting employability training from one of the world's best training institutions, i.e., Talerag. The students were informed of the schedule of the World Bank research project and training. At the end of this session, interested students registered for World Bank training.

Students got knowledge and information about life after college and what it was going to be like. And they came to know the difference between the qualities that they possess and the qualities that the employer or job recruiter/interviewer searches for. And with full enthusiasm, many students enrolled themselves for this session.
